

Wheel Throwing Pottery Workshops

www.potstudios.com.au

About Us

Pot Studios is a creative haven in Tugun, Queensland, where art, mindfulness, and community come together. Led by Cassale and her son Salem, our studio offers a welcoming space for artists of all levels to explore the art of pottery. Inspired by a passion for creativity and connection, we provide hands-on classes and workshops designed to nurture skill, self-expression, and mindfulness. At Pot Studios, every piece of clay tells a story — of growth, artistry, and shared inspiration. Join us and experience the joy of shaping, creating, and connecting through the timeless craft of pottery.

Wheel Workshop Services

Date Night Workshope

Join us at Pot Studios with a partner or friend while we turn the lights down so you can channel your inner Swayze and Moore.

In this 2-hour workshop, we will lead you through a crash course in using the pottery wheel, and you'll choose your best piece for us to glaze and fire.

Enjoy music and wine provided by POT, and feel free to bring your own beverages to make a night of it (ghosts not included).

Wheel & Wine Workshop

An open invitation to the pottery wheel. This 2-hour class will guide you through the creation of various ceramic pieces. In an intimate group setting, you will enjoy complimentary wine as your experienced instructor demonstrates and supports you to execute your creative vision.

Weekend Wheel Workshop

An open invitation to the pottery wheel for beginners, where you will learn the basics of wheel throwing by learning how to center and shape clay on the wheel. You will make one to two small pieces, which we will then fire and glaze for you. Want a fun activity for your weekend! This is it!
