About Your Local Owner

We are a help first business, and we do it because we care.

Jake Snavely

Owner

Jake Snavely is the owner of [Bio-One of Alabama](#). Jake grew up in Southern California and graduated from California State University, Fullerton with a degree in Business Administration. He went on

to start a successful small business and became a full-time real estate broker for over 13 years. His years of experience in helping his clients through stressful decisions, and professionally meeting the needs of many different people lends itself to the compassion and emotional maturity required to help anyone in time of need. Jake's passion is to help others and serve the needs of his community. He also owns and operates Bio-One of Alabama and Bio-One of Alabama in Birmingham,

and is proud to serve the entire state of Alabama. Jake and his wife Sarah, along with their two daughters are active members of their local community here in Alabama.

Compassion & Understanding

Our priority is you. Bio-One, to this day, continues to be the most passionate and caring [crime scene cleanup](#) and [biohazard decontamination](#) company in the cleaning services industry. We have built our company on the foundation of discretion and confidentiality. We treat each situation with care and compassion, and take time to learn your individual needs and goals. We can open your insurance claim and work with adjusters so you can focus on other urgent matters. We strive to make a difference in our community and thrive by going above and beyond for our clients.

WE'RE READY 24/7

Work with us

1. **Call as soon as you need help.**
With 24/7 availability, we are ready to answer your call if the unthinkable happens.
2. **We will provide comprehensive remediation.**
Our Bio-One of Alabama crew will discreetly and professionally complete the crime scene cleanup or biohazard decontamination job.
3. **We will work with your insurance directly.**
Working with your insurance company can be overwhelming. Bio-One of Alabama can open the claim and work with the adjusters directly.
