About Your Local Owner

Shea and Lisa Simms

Owner

Shea spent 21 years in the National Guard serving his country. When Shea was away at Drill, AT, or Deployments Lisa was continuing to serve our guests at our current jobs and raising 4 children. We are accustomed to working long hours to make sure people are taken care of and will continue that service with Bio-One. Although we are not originally from North Carolina, we have grown to love the area and the people over the last 15 years. We both grew up in the South and feel very at home here.
