Timeless Solid Wood Nursery Furniture

Romina Furniture creates premium solid wood nursery furniture that combines timeless elegance with exceptional craftsmanship. From convertible cribs to spacious dressers and complete nursery collections, every piece is thoughtfully designed for safety, durability, and everyday functionality.

OUR STORY

The Genesis: A Legacy of Craftsmanship

1991

Founded in Romania, rooted in multi-generational artisan tradition and fine woodworking expertise.

Years of Growth

Decades of mastery in furniture manufacturing, refining techniques and expanding capabilities.

2006

The Romina brand officially launches — a bold pivot to specialized, high-end nursery furniture.

Furniture as a First Home

The nursery is a child's first sanctuary. Romina designs with the **human element** at the center — every curve, joint, and finish chosen with care.

One Roof, Total Control

Everything manufactured in-house ensures uncompromising health and safety standards.

Built for Generations

Rejecting disposable culture in favor of true heirloom-quality pieces.

MATERIALS

Pure Materials: The Science of Solid Hardwood

100% Solid Wood

Beechwood and Oak — no MDF, particle board, or wood substitutes. Ever.

5× Reforestation

Five saplings planted for every tree harvested — sustainability built into every piece.

8% Moisture Content

Precision kiln-drying ensures long-term structural integrity and resistance to warping.

Engineering for a Healthy Environment

Certified Safe. Inside and Out.

Romina's **GREENGUARD Gold Certification** means every piece is tested for over **350 VOCs** and 10,000 harmful chemicals — among the strictest indoor air quality standards in the world.

- Organic, non-toxic, water-based finishes applied by hand
- Zero formaldehyde in production or assembly
- No chemical accelerants — ever

CRAFTSMANSHIP

Built to Last: Engineering Meets Artistry

80K

Drawer Cycles

German soft-close hardware tested to ~73 years of daily use.

3

Stain Layers

Hand-sanded between each layer for rich, consistent protection.

100%

Anti-Tip Safety

Every piece includes anti-tipping systems for toddler safety.

LONGEVITY

Evolution: From Crib to College

Romina furniture is designed to **grow with your family** — not be replaced by it. Convertible cribs transition seamlessly from newborn to full-size bed, making every piece a single, lifetime investment.

THE ROMINA PROMISE

The Lasting Impact

Your family's story starts with a solid foundation. Choose furniture that stays for the long story.

Eco-Conscious by Design

Marrying modern green technology with old-world artisan skill.

Heirloom Quality

Redefining the nursery industry — one solid wood piece at a time.

Built for Your Journey

Quality is not a destination — it's a journey your family takes with Romina.
